JP Director`s Report

Issue 8/05 - 23.11.2005

On October 29th, 2005 at 12:00h it was official. They swore each other everlasting fidelity at the registry office in the medieval town of Hochstadt (Maintal): The very soul of our Polish branch, Dorota Blaszczyk, and Marek Kowalewski.

Our tender soul Doro now carries the name Kowalewska. For some days after the wedding she often forgot her new name and answered the phone with "JP AG, Blaszczyk,..." But now she has become accustomed to her new surname Kowalewska. The heavens are full of stars and they're sparkling in the most beautiful colours. We wish the newly weds good luck and happiness for their future married life.
